**Aldea Asesores SL – Insolvency administrator and Advisers Bureau Consulting, SL**

Alicante, 23rd July 2010

Dear client,

As you have previously been informed, the company ALDEA ASESORES SL declared a Voluntary Insolvency Proceeding by means of a court order on the 3<sup>rd</sup> September 2009. The court order was passed by the Commercial Court of Alicante number 1, with proceeding number 759/09-J, in which Mr Juan Carlos Domínguez Serrano, a registered economist of the Economists Association of Alicante, was appointed the insolvency administrator of the company. Mr Domínguez Serrano has supervised every transaction done by the aforementioned company and has issued a report to acknowledge the credits of the company.

The consequences of the Insolvency Proceeding were already explained in a previous communication.

Likewise, exactly as you were previously informed, all documents of every single client that were possessed by ALDEA ASESORES, SL are properly filed and watched over at the offices of the company, this means that at present there are no problems at all with respect to these documents.

Since the company was declared insolvent it was necessary to adapt its structure, both regarding means and personnel. This situation reduced the quality of the services offered by this company. Therefore, after a long period of reflection, the company itself and the Insolvency administrator decided to request the Commercial Court of Alicante number 1 to give legal authorization to hand over the client list to another company, a company totally independent of ALDEA ASESORES. The company receiving the client list will be able to provide you with any services you may need.

On the 2<sup>nd</sup> June 2010 the Commercial Court of Alicante number 1 passed a court order to authorize the above mentioned transfer. By means of this court order the client list has been transferred to the company **ADVISERS BUREAU CONSULTING, SL**. The aim of this transfer is to avoid the clients being neglected and also to offer them a professional and reliable company

to administer their files, to deal with their fiscal obligations, in short, to render any services the clients may need in a tidy and efficient way.

Together with this communication you will receive an introduction of the company **ADVISERS BUREAU CONSULTING, SL**, in which you will find a description of the history of the company from its foundation, just as their contact details (telephone number, fax, e-mail address, postal address...) so this company can provide you with a tidy and efficient service.

Moreover, you can visit the web page [www.abcsolicitors.com](http://www.abcsolicitors.com) where you will find more information about the solicitor's office **ADVISERS BUREAU CONSULTING, SL**.

Finally, once again we would like to apologize for any inconveniences caused by this situation and also we would like to thank you for the trust put on us and to inform you that shortly you will receive information about the agreement proposal reported by Aldea Asesores in front of the Court as a means of solving the insolvency situation.

Yours faithfully,
